

Establishment of Small Holding Sale Facility

Coda Minerals Limited (ASX code: COD) (**Coda** or the **Company**) advises that it has established a small holdings sale facility (**Facility**) in accordance with the Company's Constitution and ASX Listing Rules.

What is the Facility?

The Facility provides shareholders who have parcels of fully paid ordinary shares (**Shares**) valued at less than \$500 (**Small Holding**) with the opportunity to sell their Shares without incurring any brokerage or handling costs.

The record date for purposes of determining holders of Small Holdings has been set at 5:00pm (WST) on Friday, 22 October 2021 (**Record Date**). All shareholders of the Company who had a Small Holdings at the Record Date are eligible to participate in the Facility (**Eligible Shareholders**).

Based on the closing price of Share at the Record Date (\$0.92), a Small Holding is any shareholding of less than 543 Shares.

Why has the Facility been established?

This represented approximately 67% of the total shareholders, but only approximately 1% of the total Shares on issue at that time.

The Company expects the sale of Small Holdings through the Facility will help to reduce administrative costs, including printing and mailing costs and share registry expenses associated with maintaining a large number of Small Holdings.

The Facility also provides holders of Small Holdings with the opportunity to sell their Shares without incurring any brokerage or handling costs. Such costs may otherwise render a sale unattractive or uneconomical. It also allows holders of Small Holdings the opportunity to sell their Shares into an aggregated pool, which may be more attractive to a potential purchaser.

The Company has engaged CPS Capital Group Pty Ltd (AFSL 294848) (**CPS**) to manage the Facility.

What price will be paid for Shares?

The price that shareholders will receive for their Shares sold under the Facility will be determined by when and how those Shares are sold. The Company may sell the Shares on market or in any other way they consider fair and reasonable in the circumstances. If the Shares are sold on market, the price will depend on a number of factors, including market conditions at the time of sale.

Can a shareholder opt-out of the Facility?

Shareholders who have Small Holdings are able to opt-out of the Facility and retain their Shares by completing and returning a Share Retention Form before 5:00pm (WST) on Wednesday, 8 December 2021 (**Closing Date**).
